**BOYS & GIRLS CLUBS
OF AMERICA**

CareerLaunch encourages teen Club members to assess their skills and interests, explore careers, make sound educational decisions and prepare to join our nation's work force. Club staff and volunteers help teens build their job-search skills and job readiness by using the CareerLaunch materials and working with teens individually or in small groups. Mentoring, job shadowing and training opportunities round out the program.

Be a part of Our **NEW Career Launch Program!
Teens entering grades 6-12**

The mission of Career Launch is to actively engage teens and provide them with opportunities to strengthen their academics, explore careers, and develop the skills needed to be workforce ready and make healthy lifestyle choices.

This initiative provides teens with the tools for a GREAT Future through:

- Academic support
- Leadership and volunteer opportunities in the Club & the Community
- Character development
- Job-Shadowing and exposure to career options through meaningful field trips
- Workforce skills and mini career fairs
